

K-Love is my inspirational radio station in Memphis. We need this station for everyone to listen to. Prayers are given and quotes from the Bible are told to enlighten our knowledge of God and Jesus Christ. If K-Love were to lose this station to an LPFM broadcaster it would be a waste. K-Love puts Christians and could be Christians together for prayer and wonderful music for the younger generation.

It is essential for the public to have this option! Please keep this station going. It has done so much charity and missionary work for our World!!!!
